Annex to the note verbale dated 6 August 2010 from the Permanent Mission of Egypt to the United Nations addressed to the Chairman of the Committee

[Original: Arabic]

1. There are no accounts which allow individuals and entities involved in nuclear activities, entities owned or controlled by the Islamic Revolutionary Guard Corps or entities owned or controlled by the Islamic Republic of Iran Shipping Lines (IRISL) to carry out transactions on the Egyptian stock exchange.

2. The Coding Department will include in its database the names which appear in the Security Council resolution, with a view to preventing their unified codes from being used to transact sales and purchases, and as a precautionary measure designed to prevent those names being assigned codes on the Egyptian stock market in the future through brokerage companies operating in the securities field.
